### COOPERATIVE EDUCATION STILL GOING STRONG

Have you been reminiscing about the early years and the wonderful friendships that were made? I bet it has been a while since you've heard from us. I

hope it hasn't been a while since you have thought of us. Where has the time gone?

I remember

Teacher Dorothy inviting me to see this beautiful school and the wonderful grounds that families had bought and cared for. I fell in love at the first sight!

Millbrae Nursery School still teaches the same great values that you experienced and we

continue to strive to have all of our students excel towards their very best. The staff still works closely with the County Office of Education and advancing with the many changes that are taking place in this field. We currently have 60 families in our school and we hope to add more! Pre-school just started an early literacy program which will allow our students to be ready for what Kindergarten has in store. Each year we work to upgrade and repair this old red school house to ensure that the next generation has the same opportunities that your families did. The cargo net was replaced, (guaranteed for many years to come), the roof was replaced, we upgraded some of the electrical; a beautiful gate

was added in the front of school to protect our kiddos from the street, and a new furnace for the two year old class.

This is just some of the great work done by our families. Our long term goals are to add a fresh splash of paint to our walls, finish the electrical upgrades, repave areas of the bike path, acquire more land for a classroom and office space, without losing any of our yard. Through generous donors, the school has greatly improved and we would love to show you in person!

Sincerely,

Brigidan Bogni-Rodriguez  
Director  
Millbrae Nursery School

**2013: A PREPARATION FOR OUR 75TH ANNIVERSARY**

OUR 75th anniversary is coming up fast, 2013 is just around the corner and we are looking for alumni to help us plan the big celebration! We have set up a Facebook page to help you keep in touch, share your memories and reconnect with other alumni and current families. Also, in planning this momentous milestone for our school we would like to ask you to dig up pictures and video of your time at MNS for a special video presentation, slideshows and other wonderful projects that will illustrate our many years in our communities and the hundreds of precious kiddos that have become part of the very fabric that makes Millbrae Nursery School such a wonderful educational institution. We might be calling on some of you to share some of your memories to include in the presentation. Please spread the word amongst those families that you shared with and still keep in touch with to make this event a true celebration.

**CALLING ON ALL MNS ALUMNI & FAMILIES**

We are looking for former preschool families to join us on our Facebook page [www.facebook.com/MNSAlumni](http://www.facebook.com/MNSAlumni) to share photos, post memories and reconnect with old friends. A response to our survey at <http://www.surveymonkey.com/s/MB5773S> will insure that you get an invitation to our 75th anniversary bash. Your contact information will not be shared with any other agency, organization or company; the information provided in our survey is strictly for the use of MNS to keep in touch with its alumni. If you have any questions or are interested in being involved with planning the celebration/reunion, please contact [alumni@millbraenurserycoop.org](mailto:alumni@millbraenurserycoop.org) or visit [www.millbraenurserycoop.org/alumni/](http://www.millbraenurserycoop.org/alumni/).
